

FORM AN NFA TRUST (GUN TRUST)

To Own Suppressors, Machine Guns, other NFA Firearms

- ▶ **GET YOUR NFA FIREARM QUICKER!** Quicker approval of your Form 4 by ATF. This can speed up the process by three to eight weeks!
- ▶ **NO NEED FOR CLEO APPROVAL!** If your CLEO (Chief Law Enforcement Officer) refuses to sign Form 4's, this is the only way to own NFA firearms.
- ▶ **MORE PRIVACY.** No background check on you required. No need to submit fingerprints or photographs.
- ▶ **ALLOW OTHER PERSONS TO SHOOT THEM.** Multiple persons can serve as Trustees and have access to the NFA firearms.
- ▶ **CONTINUITY.** Make sure your guns go to someone who appreciates them. The trust can continue to exist even after you are deceased. Use a customized NFA trust with guidelines to make sure they comply with the law and stay out of trouble.
- ▶ **LIMITED LIABILITY.** Corporations and LLCs can own NFA Firearms. If you set up one of these instead of a trust, it can provide some protection from liability.
